**Looking Swell** New fresh designs for the classical vertical blind systems: Silent Gliss, together with Swedish textile designer Eva Marmbrandt developed new, extraordinary and exclusive designs for vertical louvers: the Vertical Waves. Vertical Waves is a series of laser cut vertical blinds adjusted to the modern architecture, aiming to create more agreeable sound and light surroundings in public environments. Three beautiful designs are available. Price dependent on configuration. Phone Power Home Products, Dublin 01 2571300. [www.silentgliss.co.uk](http://www.silentgliss.co.uk)
