SERENE RETREAT

Where: Noonu Atoll, the Maldives.

What: An island dedicated to wellness and relaxation sounds like our kind of place and Cheval Blanc Randheli resort (Chevalblanc.com) has private infinity pools for each villa. Sigh.

Ideas to steal: Proof that white isn't just for small spaces, add zesty accents of lemon and turquoise, with a touch of wood for texture.

Pro freestanding bath, €2,507, Laufen.com

Towel, €5, Penneys

Camphor wood carving, €340, Shimu.co.uk

Vado Omika standing bath and shower mixer, €1,259, Earthridge.ie

Greenwich bianco carrara marble mosaic, €170, sq m, Tilemerchant.ie

MARBLE MASTERCLASS

Where: Rome, Italy.

What: Opulence is the ethos at the Petronius Suite at the Rome Cavalieri (Romecavalieri.com) where the bathroom, shower room and jacuzzi tub shine with polished white Carrara marble and feature amenities by Ferragamo.

Ideas to steal: Think beyond the bathroom showroom for furniture.

Bronze nesting set with marble top, €587, Hedgeroe.com

Gold toothbrush holder, €20 and soap dispenser, €28, Debenhams.ie
